a fresh graceful translation of one of the most important and timeless classics the foundational work of daoism by award winning novelist ken liu who contextualizes and demystifies this famously enigmatic text laozi s dao de jing was written around 400 bc by a compassionate soul in a world torn by hatred and ambition dominated by those that yearned for apocalyptic confrontations and prized ideology over experience by speaking out against the cleverness of elites and the arrogance of the learned laozi upheld the wisdom of the concrete the humble the quotidian the everyday individual dismissed by the great powers of the world earthy playful and defiant laozi s words gave solace to souls back then and offer comfort today now this beautifully designed new edition serves as both an accessible new translation of an ancient chinese classic and a fascinating

account of renowned novelist ken liu s transformative experience while wrestling with the classic text throughout this translation liu takes us through his own struggles to capture the meaning in laozi s text in a series of thoughtful and provocative interstitial entries unlike traditional notes that purport to be objective these entries are explicitly personal and unapologetically subjective gradually as liu learns that true wisdom cannot be pinned down in words the notes grow sparser until they fade away entirely his journey suggests the only way out of struggle is to engage with texts that have survived the millennia wrestling with ideas that gesture at something eternal in hopes that we might eventually reach that moment of transcendent joy liu s translation by eschewing cleverness paradoxically reveals the slipperiness of laozi s original the dao de jing has been translated countless times and will be translated countless times in the future in that constant change and flow we finally find our home in dao the eternal principle that allows us finite beings in time and space to reckon and reconcile with the infinite

dao de jing is the chinese classic that hides secrets of success freedom and eternity this book provides the fresh and unbiased translation based on the ancient texts mawangdui silk texts which are recent archaeological discoveries the translation stresses internal consistency and reveals comprehensible laozi s wisdom for the first time it provides guidance on all aspects of life how to achieve success how to be healthy how to be creative how to have healthy and harmonious relationships how to rear your kids so that they will be great how to empower people why are you bound on earth and how to achieve freedom where is your real and eternal home and how to go back and more this book reveals the ultimate truths of life and the hidden way to success freedom and eternity it is the best treasure for personal transformation well being and harmonious relationships
